EVENT OVERVIEW

CHRIST HOUSE

The mission of Christ House is to provide comprehensive and compassionate health care to sick, homeless persons in the District of Columbia, and to assist them in addressing critical issues to help break the cycle of homelessness. Since our founding in 1985, Christ House has had over 9,500 patient admissions. In 2021, the average patient length of stay was 33 days and 97% of patients had three or more health needs.

WHAT

This summer, Christ House will host its second annual 5k fundraiser: Compassion in Action. This event will raise funds for our mission, allowing us to continue providing holistic care to our patients day after day. It will also provide an opportunity for our community to gather -- virtually and/or in-person -- to celebrate and spread our mission.

As a 5k sponsor, you'll be supporting our mission of providing comprehensive and compassionate health care to men experiencing homelessness in DC. Sponsors will receive positive media attention via Christ House's social media platforms, print and digital publications, and website.
