Hello [NAME],

I hope you're doing well. I'm reaching out because I'm participating in the Compassion in Action Virtual 5k this summer, and I could use your support. This 5k supports Christ House, a nonprofit based in Washington DC with a mission to provide comprehensive and compassionate care for people experiencing homelessness with acute medical needs and to offer assistance in addressing critical issues to help break the cycle of homelessness..

This mission means a lot to me. [INCLUDE YOUR CONNECTION TO CHRIST HOUSE AND WHAT THE MISSION MEANS TO YOU]. With your help, we can support a place of healing, rest, and recovery for those in need.
